OP 409 – Public Interest Disclosure (Whistleblower Protection)

Policy

On June 1, 2013, the Public Interest Disclosure (Whistleblower Protection) Act (“PIDA”) came into force in Alberta. The purpose of PIDA is to:

- a. facilitate the disclosure and investigation of significant and serious matters in public entities, including school boards, that an employee believes may be unlawful, dangerous to the public or injurious to the public interest,
- b. protect employees who make those disclosures,
- c. manage, investigate and make recommendations respecting disclosures of wrongdoings and reprisals, and
- d. promote public confidence in the administration of public entities.

The Catholic Board of Education is committed to the highest standard of ethical and accountable conduct, and recognizes the importance of working to deter and detect wrongdoing within the operations of the school board, and to promote public confidence in the administration of the board.

To ensure this, the Catholic Board of Education is committed to maintaining a positive and supportive environment whereby employees can disclose potential wrongdoing, or seek advice about disclosing a potential wrongdoing, without retribution, and are provided with clear guidance for how those disclosures may take place.

Under PIDA, an employee of the school board may make a disclosure of a wrongdoing, which the school board will investigate in accordance with these procedures. Under PIDA, no person may make reprisals against an employee for making a disclosure, seeking advice about making a disclosure, or taking any other steps under PIDA, so long as the employee is acting in good faith.

The Secretary-Treasurer is appointed as the designated officer for the purpose of PIDA.

Procedures for Managing and Investigating Disclosures

Receipt of Disclosures

Employees seeking advice on potential disclosure under PIDA and this policy shall be referred to the designated officer, who shall provide the employee with information on PIDA, this operating policy, the requirements of PIDA and this operating policy, and other alternative processes for resolution of the employee's concern.

Employees shall make disclosures for the purposes of PIDA and this operating policy to the designated officer, utilizing the PIDA Disclosure Form attached hereto.

Disclosures shall provide:

- a. the name of the disclosing employee;
- b. a description of the wrongdoing;
- c. the name of the individual or individuals alleged to have committed the wrongdoing, or to be about to commit the wrongdoing; and
- d. the date of the wrongdoing.

The designated officer shall acknowledge receipt of the disclosure to the employee making the disclosure within 5 business days from receipt of the disclosure.

Preliminary Handling of Disclosures

Where the designated officer is of the opinion that the subject matter of a disclosure would be more appropriately be dealt with by a department of the Government of Alberta, an office of the Legislature, or another public entity, the designated officer shall report the subject matter of the disclosure to the designated officer of that other entity.

Where an alternative process exists for the handling of the subject matter of the disclosure under:

- a. another policy of the board such as those referring to Harassment (OP102), Respectful Workplace (OP108) or Public Concerns and Complaints (OP135) or Occupational Health and Safety (OP150);
- b. another Act or regulation (for example, human rights or occupational health and safety legislation), or
- c. procedures under a collective agreement or employment contract,

and the designated officer is of the opinion that the subject matter of the disclosure would be more appropriately be dealt with under that alternative process, the designated officer may refer the disclosing employee to those procedures.

Where the disclosure:

- a. is clearly frivolous or vexatious, has not been made in good faith, has not been made in a timely enough manner to permit an investigation, or does not deal with a wrongdoing,
- b. relates to a decision, action or matter that results from a balanced and informed decision-making process on a public policy or operational issue, or
- c. does not provide adequate particulars about the wrongdoing to permit the conduct of a fair and effective investigation

the designated officer may decline to investigate the disclosure.

If more than one disclosure is made of a single wrongdoing, the designated officer may conduct a single investigation into the wrongdoing.

The designated officer shall advise the employee making the disclosure whether the disclosure will or will not be investigated within 10 business days from receipt of the disclosure.

Mandatory Disclosures to Others

If the designated officer reasonably believes that the matter to which the disclosure relates constitutes an imminent risk of a substantial or specific danger to the life, health or safety of individuals, or to the environment, the designated officer shall as soon as reasonably practicable refer the disclosure to the Commissioner.

Notwithstanding whether a disclosure is referred to the Commissioner, where the designated officer is aware of:

- a. of a disclosure relating to an imminent risk of a substantial or specific danger to the life, health or safety of individuals, or to the environment, or
- b. that the alleged wrongdoing, if true, may threaten the welfare of students, staff, or the safe and caring environment of the school,

the designated officer shall also ensure that appropriate persons within the school board have sufficient information to act to abate that risk.

Where, at any point following a disclosure, the designated officer has reason to believe that the alleged wrongdoing, if true, could potentially give rise to the superintendent being of the opinion that the welfare of students is threatened by the presence of the teacher, the designated officer shall advise the superintendent of the alleged wrongdoing for consideration of a possible administrative suspension under section 105(2) of the School Act.

Where in the course of an investigation the designated officer has reason to believe that an offence has been committed under an Act or regulation of the Province of Alberta, or under an Act or regulation of the Parliament of Canada, the designated officer shall report the potential offence to the appropriate law enforcement authorities.

Investigations

The designated officer shall conduct all investigations in accordance with the principals of natural justice and procedural fairness.

The designated officer may utilize internal personnel and resources, and may retain outside personnel or resources, for the purpose of conducting the investigation.

The designated officer, and any person conducting an investigation on their behalf, may interview any person and shall have access to any documents of the school board necessary for the investigation.

Report

The designated officer shall provide a written investigation report to the Superintendent of Schools detailing whether the disclosure was substantiated, and providing recommendations on corrective action.

The investigation shall be completed and the written investigation report provided to the Superintendent of Schools no later than 110 business days from the date the disclosure was received.

Where the designated officer is considering a recommendation to the superintendent that the superintendent exercise authority delegated to them by the Board of Trustees to suspend or terminate a teacher or administrative designation under the School Act, the designated officer shall consult with other board staff typically responsible for such recommendations concerning the necessary process. In such event, the written investigation report shall be provided to the superintendent in the course of any process under the School Act for the superintendent to consider that recommendation.

The Superintendent of Schools shall consider the recommendations in the investigation report, and shall be responsible for determining what action, if any, including disciplinary action, shall be either taken as a result or recommended to the Board of Trustees. The Superintendent of Schools shall follow-up with the employees responsible to ensure those actions are taken.

The person making the complaint shall be advised when the investigation is completed, the recommendations made in the written investigation report, and the actions of the Superintendent of Schools resulting from the written investigation report.

Extensions of Timelines

The designated officer may request of the Superintendent of Schools, and the Superintendent of Schools may grant, extensions of timelines within this policy, provided that the total extensions granted do not extend the overall time period for investigation and provision of the investigation report by more than 30 business days.

The Superintendent of Schools may request permission from the Commissioner to extend timelines for a longer period.

In the event of an extension of a timeline, the designated officer shall promptly advise the person who submitted a disclosure of wrongdoing when he or she may expect the next procedural step to occur or be completed.

Conflicts of Interest / Disclosures About the Superintendent of Schools

In the event the designated officer is in a conflict of interest with respect to the nature of the disclosure or any person involved in the disclosure or alleged wrongdoing, the designated officer shall request the Superintendent of Schools to designate an alternative designated officer for the disclosure. The alternative designated officer shall have all the powers of the designated officer for the purpose of the disclosure.

In the event of a disclosure to the designated officer concerning the conduct of the Superintendent of Schools, or concerning which the Superintendent of Schools has a conflict of interest, the designated officer shall:

- b. in accordance with PIDA or any other statute; and
- c. the disclosure of that information is necessary due to an imminent risk of a substantial and specific danger to the life, health or safety of individuals, or to the environment.
